

Orange Movement – Membership pack 2026

From the Global South, for the Future:
Join the most powerful global gender-climate
network

The Orange Gap

Funding Gap

\$4.2T SDG
financing gap

Concessional capital cannot
meet inclusive-finance
needs

Ecosystem Capacity Gap

Weak market & policy
systems to absorb and deploy
inclusive capital

**Gender remains the
least-leveraged driver of
growth**

Data Gap

Limited credible data >>>
Mis-priced risk, low investor
confidence, weak
accountability

A Structural Problem Demands A Structural Solution...

Scalable
'inclusive'
capital
pipelines

Stronger
country
financing
ecosystems

Trusted
data
frameworks

3

...To turn momentum into systemic change

unlocking billions for inclusive, climate-smart growth across the Global South

The Orange Movement

Global movement embedding gender + climate + inclusion into the 'DNA of finance'

2030 targets...

Mobilize **US\$10 Billion** in gender-climate smart finance driving impact across SDGs

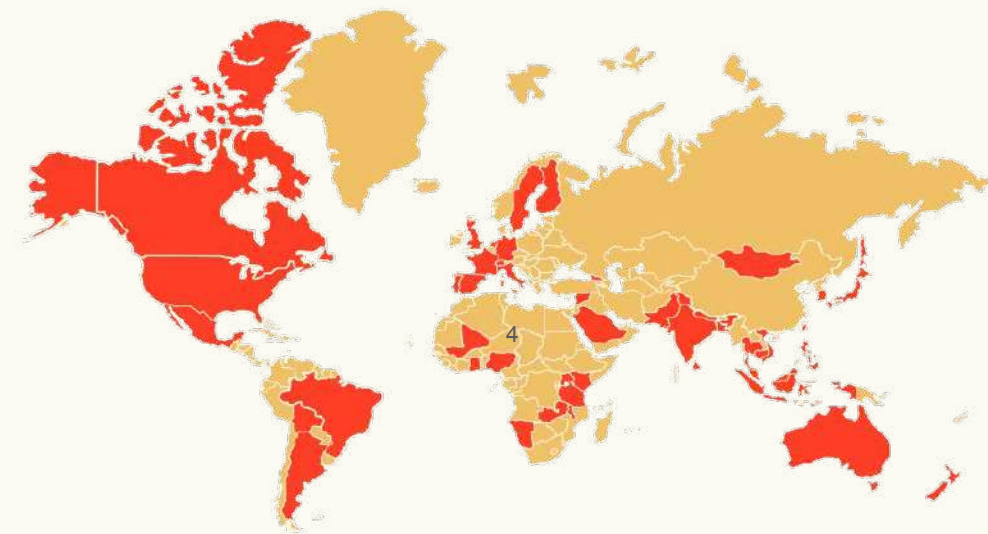

Empower **1 billion** women, girls, and gender minorities as leaders of climate action

Coalition in action

Uniting DFIs, MDBs, foundations, corporates, and impact investors

Current **Orange** footprint

A cross-cutting asset class for Sustainable Finance

Orange transforms inclusion into an **investable, cross-cutting asset class** mobilizing capital for gender - climate impact at scale

01 Embed gender and inclusion into investment and enterprise design to drive climate-resilient growth

02 Use verified data to strengthen pricing, reporting, and investor confidence

03 Direct capital toward women and communities as leaders of climate and socio-economic resilience

5

04 Mobilize regulatory, financial, market systems to mainstream Orange as a sustainable-finance norm

From Proof to Platform – Lessons from Asia

Orange for 'Golden Indonesia' vision 2045

Goal: Mobilize **US\$5B** in Orange Capital by 2030

Action: Launched **Indonesia's first Orange Bond and world's first Orange Sukuk**, by PT PNM, part of US\$1B series. Unveiled Orange Bond and Sukuk frameworks and training, with support from Ford Foundation

Orange for Bangladesh's LDC Graduation

Goal: Mobilize **US\$200M** in Orange Capital by 2028

Action: Partnering with Government, UNDP, Regulators & Corporates to build inclusive capital markets

Orange for a Global transformation

~\$300M mobilized through Women's Livelihood Bonds across Asia

First **Corporate Orange Bond (US\$100M)** issuance outside the financial sector

First **Orange Bond (US\$100M)** labelling for affordable housing

US\$19M mobilized for inclusive MSMEs; impacted **4M lives**

The Foundational Phase embedded credible, scalable, inclusive financing into national priorities – creating templates now ready to replicate across Asia, Africa, and the Pacific

Led by a **Coalition** of global Orange Changers

Steering Committee

Orange Movement Champions*

*includes Members, Partners and Pledge signatories

Why Membership?

Your Seat at the Table of the **\$10B Orange Transformation**

01 Collective Advocacy

Mainstreaming Orange as a cross-cutting asset class needs concerted advocacy and championship across public, private, and civil society actors.

02 Climate & Gender

The only platform driving climate-gender innovation in investment, data & policy, supplementing and collaborating with existing impact investing memberships

03 Self-Sustaining Ecosystem

Builds a self-financing engine that mobilizes and empowers climate-inclusive gender activity across the Global South

Access

Direct connection with DFIs, MDBs, Sovereign funds, corporates and top Investors

Influence

Shape markets and policy at flagship invite-only convenings like the Orange Forum and curated regional roundtables / events

Impact

Gain first access to pipeline of high-impact gender-climate investment opportunities
